Dear Parents / Carers

Rushwick School Remote Learning Offer

The primary function of this letter is to share with you our Remote Learning Offer and invite you to support it by making sure your child engages with their part of the offer during the lockdown period that school remains closed. The offer document can be found alongside this letter on the school website and its aim is to explicitly share with you what we are providing and it will be very helpful to us to know how many pupils and families are engaging with this offer.

I do want to stress that we do not want you to feel undue pressure from the school to complete everything if this is not possible. We understand that you may be sharing devices and workspaces and therefore the completion of all tasks may prove difficult. Many of you are also having to work from home as well as support the education of your children and that this is very difficult for many families at this time. Therefore, we are asking you to please do the best you can and keep in touch.

Everyone fully understands the immense pressures that the current national restrictions have put on to our families and we want to do our bit to help where we can. I understand that many of you may be feeling overwhelmed by the situation and we do not want this to be further exacerbated by the work that is sent home from school.

Your class teacher will keep allocating daily assignments, recorded modelling of concepts (when needed) and links to other high-quality models but it is fine with us if you work through them at your own pace. We will also keep up the one to one interactions and the daily class interactions to try and maintain a sense of belonging and community. The most important thing to us is your family's well-being at this difficult time. We know that children can't meaningfully access learning unless they feel safe, secure and happy and therefore that has to be our top priority now.

Please remember that we are here to help and if we can we will. Teachers are contactable via Class Dojo or Microsoft Teams and you can reach me by email or phone. Thank you for your continued efforts during these most challenging of times.

In showing your support for our school offer on Remote Learning, please reply to office@rushwick.worcs.sch.uk using the sentence template below:

"I, the parent/carer, and my/our child, _____, agree to support my child in engaging with the Remote Learning Home School Offer."

Yours sincerely

Geoff Jeffrey (Headteacher)
